### GETTING STARTED

Getting started and being successful is as easy.

1. Complete our ***NCND Agreement***.

2. Print the **Live Well A.P.S. Sales Advisor Agreement**. Complete and scan into a pdf document and email to [admin@livewellaps.com](mailto:admin@livewellaps.com).
3. Open and print each of the documents in our **SA Training** zip file. It would be a good idea to print and put all these documents into a binder so you can reference them easily as you're learning, and as you need them.
4. Study the **Sales Advisor Training Manual** and the **Phone Script**. Pay special attention to and memorize the **Rebuttals**. This is very important.
5. Watch our sales training videos.
6. Download an Email Application (such as Thunderbird <https://www.thunderbird.net/en-US/>) so we can set up with a Live Well A.P.S. email account.
7. **GET ON THE PHONE AND/OR VISIT MEDICARE PROVIDERS**. Work in your community and at home within a quiet environment. Make the calls. It's the ONLY way to get the results you want and need. It's not difficult. You're not selling anything.
8. Have fun...enjoy what you're doing ... **YOU ARE HELPING PEOPLE!**

### **OBTAINING SUCCESS**

Success is easy to achieve if you follow the system we've developed. It works better than any other method at getting in the door of Medicare providers. You only need to relax and try it out for yourself. It will not take you long to get dozens of decision makers to schedule a Zoom call.

Good luck ... **Our Success Depends upon Your Success!**
